MRS. GEORGE INGALLS of Green Bay is the first woman who learned to set type in northern Wisconsin.

KATE FIELD, it is reported, has taken to wearing knickerbockers as she rides up and down the smooth streets of Washington.

Miss Carrie Liebig, who has just been appointed a division surgeon of the Northern Pacific railroad at Hope, Idaho, is the first woman physician to be appointed in the railway service.

MRS. CARRIE CHAPMAN CATT, who will probably be the leader of the woman's suffrage movement when Miss Anthony retires, is a good lawyer. She has lived mostly in California and Washington. The fun evolved from Mrs. Catt's name no longer annoys her.

DICKENSON county, Va., has a woman mailcarrier, who carries the mail on a route leading from Clintwood, daily. Her name is Baker and she is a widow of nearly sixty; has reared a large family and is now dependent upon her own exertions for a livelihood.

NEARLY every engine on roads running into Chicago blows its whistle in a different way upon entering or leaving the city. A good many members of the crew have wives or sweethearts within hearing distance of these whistles, and the signals announce to them the arrival or departure of the train.

Dehorn Your Cattle

I will go to any place where there are six or more cattle to cehorn. I do the work with the Lightning Dehorner. Can dehorn any cow in three seconds. The knife makes a clean, smooth cut, does not crush nor break the horn, as the clipper does. It is the only humane way to dehorn. Does not punish the animal like the saw, and the wound gets well as quick again as that made by the saw. For furtner information, call on G. A. PEYTON, Stanford, Ky. See the Lightning Pruning Hook.
